

CLEAN-UP ACTIVITY REPORT

IDNR Adopt-A-River Program

Complete and mail this report to Hoosier Riverwatch within two weeks of performing a clean-up activity. Feel free to attach any materials such as photographs that may be useful in describing your work. Please contact the Hoosier Riverwatch Coordinator at HoosierRiverwatch@dnr.state.in.us or (317) 541-0617 or with any questions or concerns.

Date of clean-up activity:

Name and location of adopted stream:

Primary contact person(s) and phone number(s):

Name, address, and phone number of Adopt-A-River organization:

Number of Adult Participants _____ Number of Youth Participants _____

Please indicate organizational affiliations and any other information that describes participants:

Newspaper/media coverage: If possible, please indicate specific names and dates of coverage. Better yet, attach a copy of any press releases or newspaper articles written about your clean-up activity.

Nature and amount of debris collected: Describe in terms of the number of garbage bags filled, dumpsters filled, tires collected, etc.

Estimated pounds of trash removed:

Most common item(s) removed:

Most unusual item(s) removed:

Type(s) and total % of materials recycled:

Toxic materials removed and manner in which disposed:

Financial/service contributors and the materials/services provided: Please indicate the names of any individuals, businesses, or organizations that provided materials or services for your clean-up activity. If possible, please indicate the approximate value and whether they were donated or purchased.

Activities performed in addition to clean-up (e.g., streambank erosion control):

Injuries or safety concerns: Indicate any injuries or threats of injury during your clean-up activity.

Access: What percentage of your adopted section of river or stream were you able to clean up?
Was it difficult to obtain permission to access private property where necessary?
